UNMC Campus Construction Projects

1. **Truhlsen Eye Institute Building.** Construction to start July, 2011 and be completed in 2013. Construction will close Parking Lot 19.

2. **Emile Street Relocation.** Construction to start May 16, 2011, and be completed September, 2011. Construction will close Emile Street at 41st Street, Jones Street at 40th Street and 40th Street at Jones Street. Parking Lot 21 (Upper & Lower) will close during construction, and Parking Lot 39 will be partially closed at the north end, but will remain open during construction.

3. **College of Public Health – Green Space.** Landscaping work will continue during the month May, 2011, with completion by June 15.

4. **40th Street Landscaping & Utility Work.** Construction will begin in May, 2011 to extend utility lines from the East Utility Plant to the site of the new Truhlsen Eye Institute. Construction will also remove all existing street paving and install new sidewalks and landscaping.

5. **Campus Light Tower Landscaping.** Final construction of the Campus Light Tower including lighting and landscaping will begin in May and be completed in June, 2011.

6. **Center for Nursing Science Parking Lot.** Construction of a Parking Lot adjacent to the Center for Nursing Science will start in May and be completed by July, 2011.

7. **Clarkson College Utility Lines.** The extension of new steam and chilled water lines to Clarkson College will begin in May and be completed in September, 2011. Construction will closed portions of Dewey Avenue, 41st Street, Harney Street and Farnam Street at various times during the construction period.

8. **New Parking Lot 17.** New parking for employees/staff will become available on the OPPD property site at 45th & Leavenworth Street.

9. **New Parking Lot 17 Entrance.** Entrance to the new Parking Lot 17 off of Leavenworth Street, including new traffic lights and landscaping. Start in June with completion in September. Access is also available off of Saddle Creek Road at Jones Street.

10. **Poynter Hall & Eppley Cancer Institute Renovations.** Total renovation will occur to both Poynter Hall & Eppley Cancer Institute. Start late summer and will be completed in the winter or spring of 2012.

**Special Note**

All employees, staff and students should try to avoid those construction sites and streets indicated. Walking paths will be installed to allow access across construction sites to affected buildings and parking lots. Please follow all signs and barricade fencing to avoid hazardous areas.
