

You are invited to attend the “Orthopaedic Physical Examination for Primary Care Providers” conference. Speakers include orthopaedic surgeons from Nebraska Orthopaedic Hospital focusing on the physical examination and diagnosis of common orthopaedic problems seen by primary care providers.

Conference Description:

This conference will provide an update on the general overview of orthopaedic injuries and treatments associated in the general population. This all-day conference allows those who specialize in orthopaedic procedures to share information on orthopaedic medicine.

At the conclusion of this conference, the learner should be better able to:

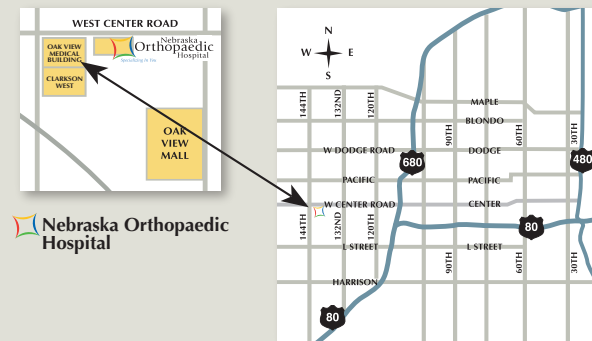

1. Describe the latest concepts of orthopaedic diagnosis and treatments.
2. Identify the types of orthopaedic conditions that should be referred out to an orthopaedic specialist.
3. Summarize the trends and techniques in orthopaedics that have proven to be successful.

Directions and Parking

Nebraska Orthopaedic Hospital is located at 2808 South 143rd Plaza, just across from the Oak View Mall at 144th and West Center Road. The conference will take place at the OakView Medical Building, next to the hospital.

Parking is available in both the OakView Medical Building and the Nebraska Orthopaedic Hospital parking lots.
