announces Faculty Positions in

Gerontological, Psychosocial, and Community Health (GPCH) Department

Position Description

UNMC College of Nursing, GPCH Department of Lincoln & Omaha Divisions invites applications for tenure-leading faculty positions in Gerontological Nursing, Psychiatric Nursing, and Community/Public Health Nursing

Faculty teach in graduate and undergraduate programs. The College offers on-site and online courses for BSN, MSN, and PhD programs in nursing. The CON has 115 faculty and 900 students, and interactive technology links all four campuses and multiple teaching and collaborative sites across the state. The College is a national leader in Distributive Education.

Qualifications

- Doctorate in nursing or related area
- Masters in nursing with appropriate specialization
- Certification (preferred)
- Teaching experience in specialty area
- Evidence of research and scholarly productivity
- Eligibility to practice nursing in Nebraska

Competitive salary and rank are commensurate with experience and scholarly evidence.

CON Environment

The College is ranked in the top 25 for NIH funding and in the top 15% of graduate nursing programs as reported by U.S. News & World Report. The College features the Niedfelt Nursing Research Center to support a research intensive environment. Nebraska’s health care environment is innovative and positive for nursing participation and leadership. Our internationally recognized faculty engage in interdisciplinary research with expertise in health promotion/disease prevention, cancer, cardiac care, symptom management, outcomes evaluation, caregiving and the use of technology to deliver interventions and monitor outcomes.

Omaha Division College of Nursing

GPCH Department

The GPCH department has 19 doctorally prepared faculty and 14 master’s prepared clinical faculty who deliver undergraduate courses each semester on the Omaha and Lincoln campuses and at 50 different clinical sites. The department also delivers master’s level and doctoral level courses on-site and at distant sites across the United States.

Key GPCH Departmental Accomplishments 2004-2005:

- Extramural funding in the department totals $3.8 million
- 4 newly funded external grants totaled $715,835.00
- 2 faculty with RO1 funding
- 2 DHHS, HRSA grants
- 12 research teams
- Provides care to vulnerable populations at 3 nursing centers and the Mobile Nursing Center

Lincoln Division College of Nursing

College of Nursing Mobile Nursing Center
Omaha

The beautiful city of Omaha (population 790,000) is considered one of the safest midsize cities in the US, with a low crime rate and cost of living below the national average.

Omaha is recognized for its diverse cultural activities including the Omaha Community Playhouse, one of the most famous and best-endowed community theaters in the US; Omaha Symphony; Omaha Ballet Company; Mannheim Steamroller, Joslyn Art Museum, and Opera Omaha. Rosenblatt Stadium is home to the Omaha Royals baseball team and the College World Series. The world-famous Henry Doorly Zoo is a major attraction as is Omaha’s unique Old Market known for its boutiques, restaurants, bars and art galleries.
