Format
The format for the 2003 Intercampus Golf Classic will be a 4-person scramble. Flights will be determined after completion of the round. Six shots will be required from each member of the group over the 18 holes. Additional rules to come later.

Playing Assignments
The tournament committee will assign individuals into playing foursomes based on skill level: one lower, two medium, and one higher handicapper. The emphasis for this event is fellowship, fun, and meeting new people from other campuses. Every attempt will be made to match up players from different campuses, so you can meet and play with new people. Requests for specific playing partners can not be accommodated.

Awards
Awards and pin prizes will be given for team and individual play upon completion of the round. We encourage you to stay for the postgame activities/awards ceremony: stories, laughter after the round.

How do you register to play?
Each participant must submit a registration form and a $65 registration fee to participate in the 2003 Intercampus Golf Classic. The entry fee includes:
• 18 hole green fee with cart and yardage guide
• Driving range with unlimited balls
