

2016 Medical Center Cycling Apparel Order Form

Spring is coming and once again we are ordering Med Center customized cycling apparel. This year we are using Peak 1 Sports, an American manufacturer of cycling apparel (<http://www.peak1sports.com/>). **The cost of a short sleeve, long sleeve or sleeveless jersey is only \$30.** Thanks to the generosity of our sponsor, Metro Health Services Federal Credit Union, you are able to get an incredible deal! ~~Cycling shorts can also be purchased for \$53 and bibs for \$57.~~ **PRICE REDUCTION – shorts and bibs are only \$49.** Only Med Center employees (UNMC/Nebraska Medicine) and students are able to place orders.

Club cut raglan style jerseys in men's/unisex and women's sizes XS –4XL are available to order. The women's version is made without elastic at the bottom since, according to Peak 1 Sports that design has proven to be preferred by most women. Shorts and bibs are also available in men's and women's cut sizes XS – 4XL.

Payment will be taken with your order. Payment can be made with cash or checks made out to UNMC. Orders can also be placed on-line at <http://www.peak1bikestore.com/unmc/> with a credit card.

Orders must be placed by February 29th. Delivery is expected in by May.

Jerseys do not fit like t-shirts. We have jersey samples available at the Center for Healthy Living available for you to try on. There is also a sizing chart on our [Peak 1 order page](#). (click on any of our cycling apparel choices and the sizing chart is the third picture option.)

Order information for your cycling apparel – (All orders delivered to the CFHL for customer pick-up.)
