

# EPILEPSY: A WINDOW TO THE BRAIN

## Video Conference

February 23, 2006

1:30 p.m. - 3:30 p.m. CST

Registration Fee: \$15

### Conference Objectives

Please join the Munroe-Meyer Institute, Abbott Laboratories, and the Nebraska Chapter of the American Association on Mental Retardation, for an informative two-hour interactive video conference on epilepsy: a window to the brain.

This conference will cover the following:

- A brief overview of epilepsy
- An overview of antiepileptic drugs and other treatments of epilepsy with a preview to our understanding of the brain - mind complex.

### Conference Agenda

- Welcome and introduction by Michael A. Burger with Abbott Laboratories
- Epilepsy: A Window to the Brain by Sanjay P. Singh, M.D.

This video conference is offered by the Munroe-Meyer Institute Psychology Department  
*A University Center for Excellence in Developmental Disabilities*  
*Education, Research and Service*  
University of Nebraska Medical Center

### Conference Presenter

Dr. Sanjay P. Singh is the Director of The Nebraska Epilepsy Center at the Nebraska Medical Center. He is also an Assistant Professor in the Department of Neurological Sciences at the Nebraska Medical Center.

Dr. Singh received his medical degree from M.L.N. Medical College in India, where he was the valedictorian for his class in 1992. He completed his Neurology residency at George Washington University Medical Center in Washington D.C. In addition, he completed a two year fellowship in Epilepsy at Yale University School of Medicine.

Dr. Singh is board certified by the American Board of Psychiatry and Neurology. He is also a member of the American Academy of Neurology and the American Epilepsy Society. He is the recipient of numerous awards and honors for his professional excellence.

Dr. Singh has authored several articles in professional and trade journals, and lectures on a frequent basis. He is the author of a book titled, "Locatelli and Singh's Handbook of Neurology."
