

NEBRASKA HEALTH SCIENCE CENTER  
 A Partner with Nebraska Health System

Date: September 17, 2009  
 To: Directors, Managers, Supervisors and Staff  
 From: Mike Overton - Manager, Building Systems Maintenance  
 Subject: **The quarterly inspection and testing of the Campus Fire Alarm System has been scheduled for September 23, 2009.**

Buildings will be tested as per the following schedule:

DAY / DATE	TIME	BUILDINGS	REMARKS
Wednesday, September 23, 2009	8:00 am to 5:00 pm	College of Pharmacy	No Horns or Bells
Wednesday, September 23, 2009	8:00 am to 5:00 pm	Durham Outpatient Center	No Horns or Bells
Wednesday, September 23, 2009	8:00 am to 5:00 pm	Lied Transplant Center (Levels 4 thru 7)	No Horns or Bells
Wednesday, September 23, 2009	8:00 am to 5:00 pm	Special Services Pavilion	No Horns or Bells

Please advise your departments of this schedule. Facilities Management and Planning will notify Security and the Omaha Fire Department.

We will attempt to complete this testing with the least possible inconvenience. Thank you for your cooperation.
