WITH A STRONG UNIVERSITY OF NEBRASKA, NEBRASKA CAN BE EVEN MORE SUCCESSFUL

NU touches virtually every Nebraskan and plays a fundamental role in the State's economic successes and quality of life.

The background of the slide is a close-up, slightly blurred image of several US dollar bills. A prominent \$100 bill is visible, showing the portrait of Benjamin Franklin and the serial number KG 30371197 A. The bills are arranged in a way that creates a sense of depth and texture.

THE UNIVERSITY OF NEBRASKA HAS AN ANNUAL \$4.5 billion impact on Nebraska's economy

NU's education, research and outreach activities contribute \$12.3 million every day to Nebraska's economy.

NU SUSTAINS NEBRASKA'S WORKFORCE

NU TRAINS THE NEXT GENERATION OF NEBRASKA'S LEADERS

NU produces 11,000 graduates annually.

1 of every 7 Nebraskans over the age of 20 is a University alumnus.

Many graduates stay in Nebraska and contribute to Nebraska's economy (the impact of the 2018 graduating class was \$49.4 million).

A photograph showing two healthcare workers in a hospital hallway. They are wearing full personal protective equipment (PPE), including blue gowns, white hoods, face shields, and masks. One worker is wearing purple gloves and the other is wearing blue gloves. They appear to be in the middle of a task, possibly handling a patient or equipment. The hallway is brightly lit with recessed ceiling lights and has several doors on the right side. In the background, a medical cart is visible.
