

DIY:

Microlearning for Preceptor Preparedness

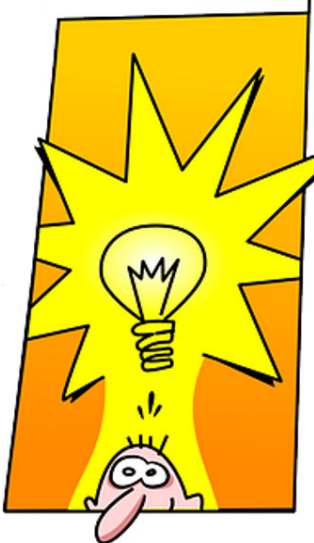

Your hosts:

Lisa E. Guthrie
Carrie Armstrong &
Anna Langer

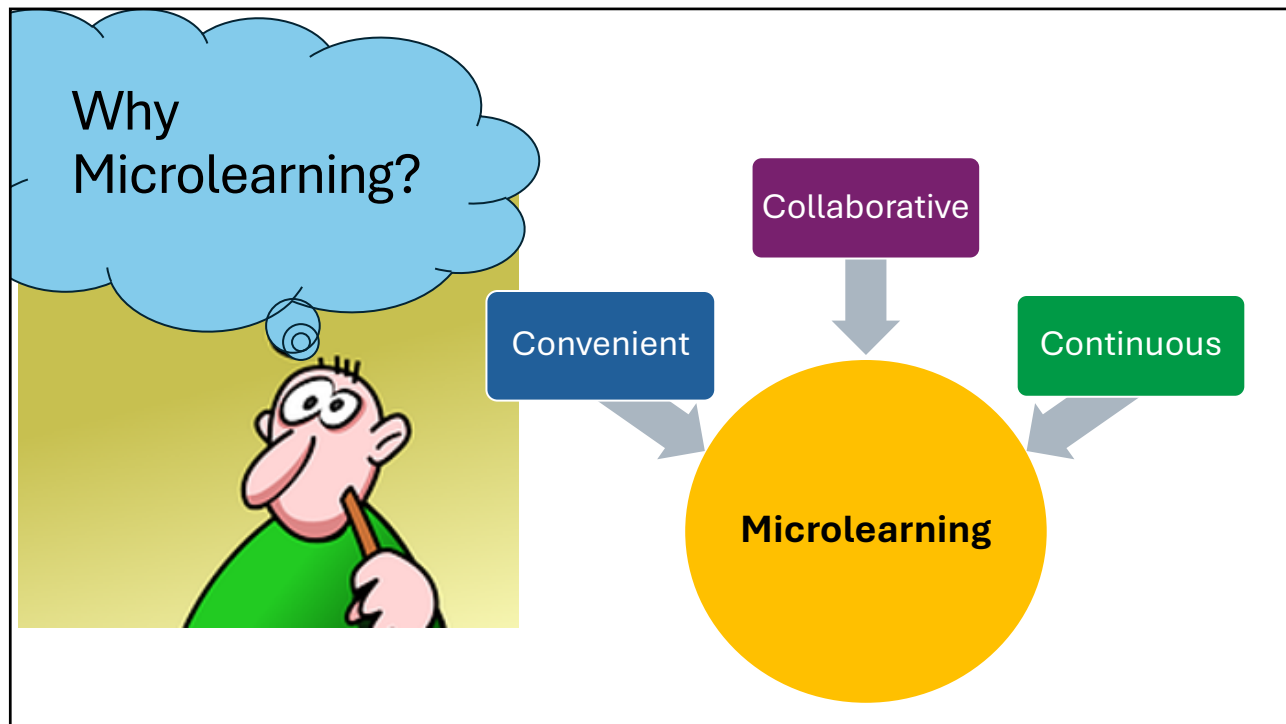

1

Goals for today...

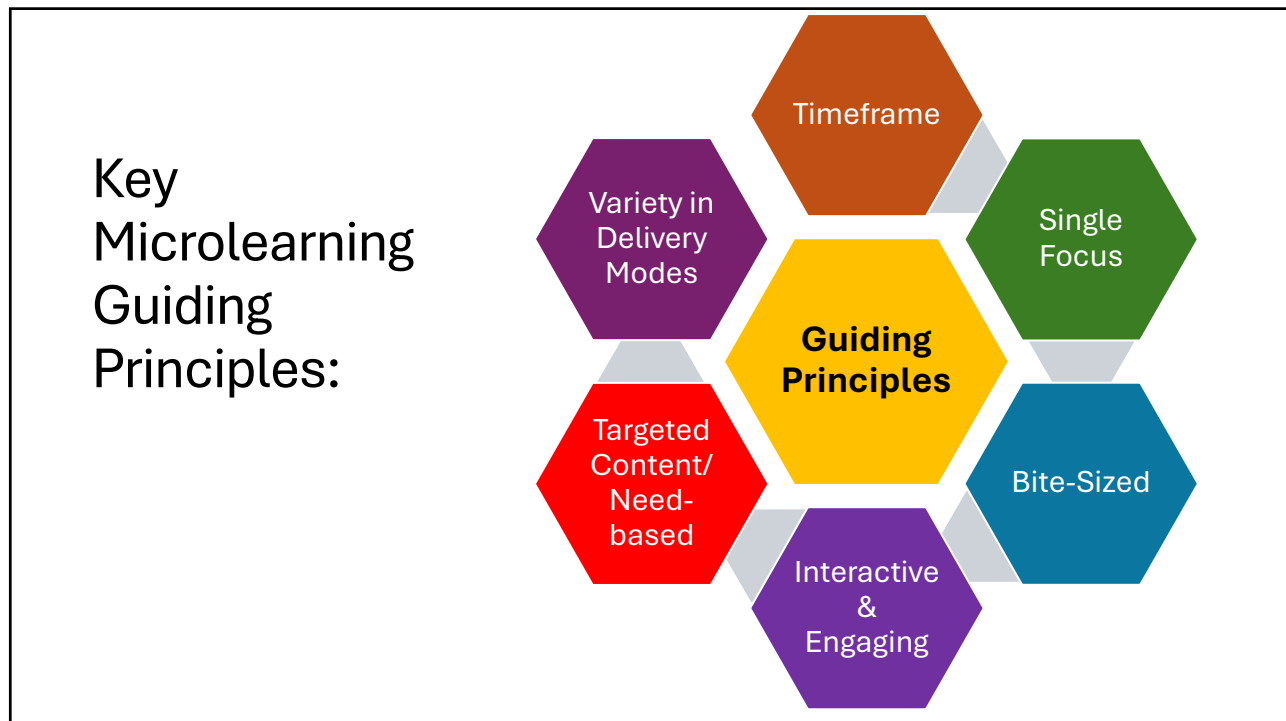

- Develop a microlearning storyboard
- Focus on helping **preceptors** precept effectively
- Follow the Microlearning guidelines
- Plan on creating 4-5 slides...as a start

5

6

7

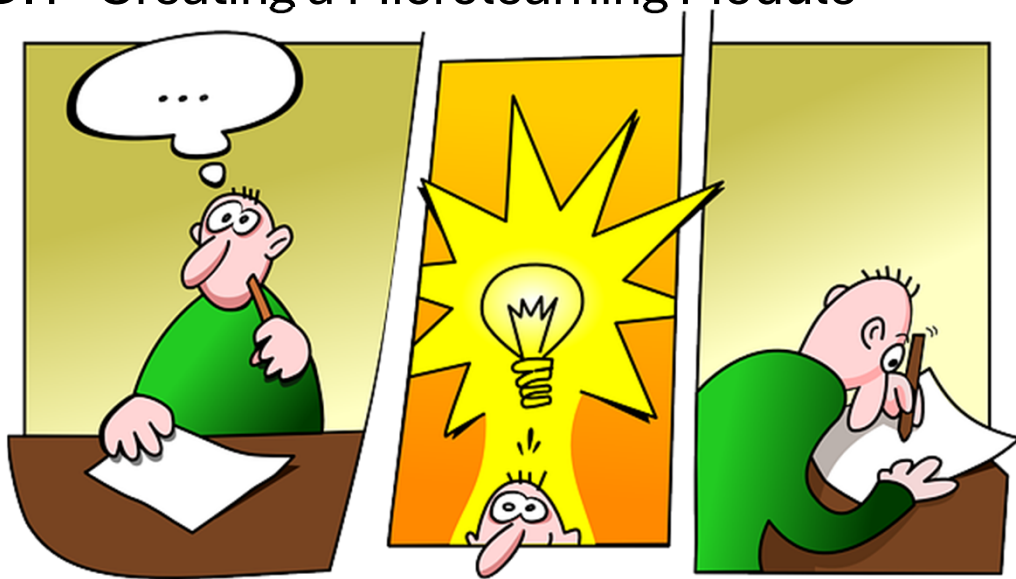

8

Example: Critical Thinking

- Evaluate inclusion of Microlearning Design Principles
- [7taps](#)

9

DIY- Creating a Microlearning Module

10

Make some
noise if you
get stuck!

11

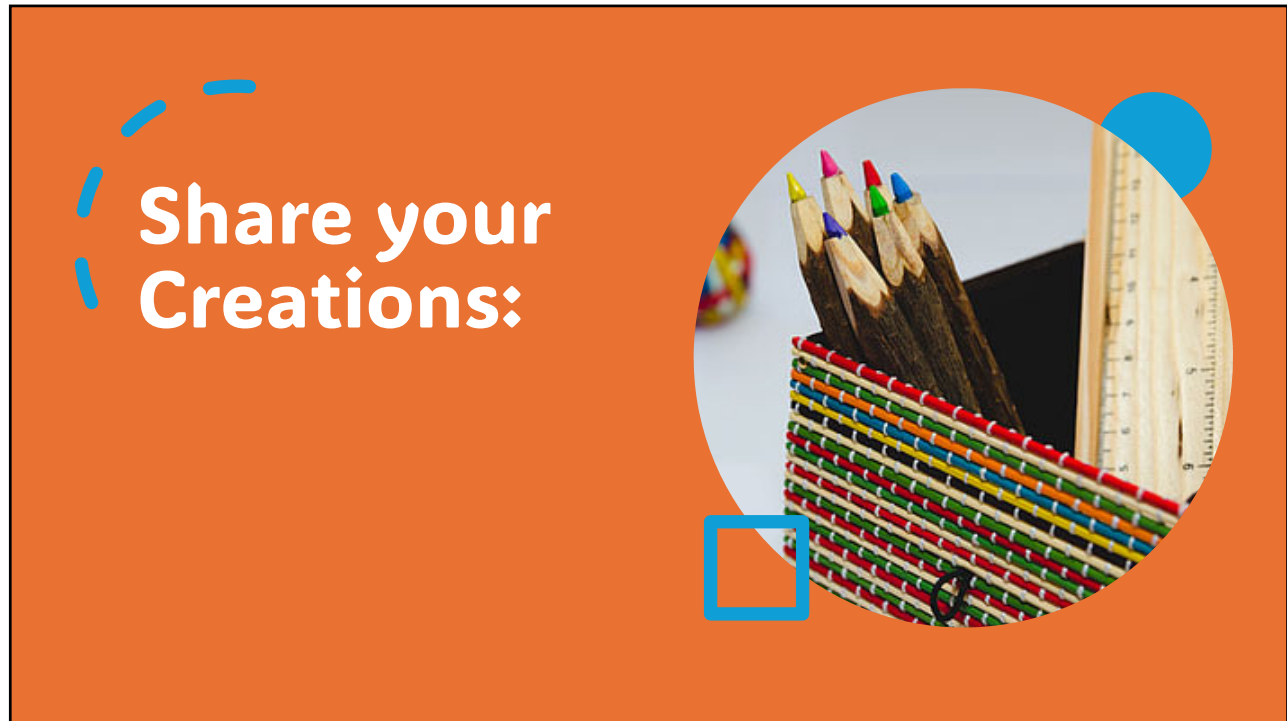

Instructions

- ☐ Use Handouts
 - Review Planning Worksheet
 - Microlearning Design Guidelines
- ☐ Create a storyboard with 4-5 slides
- ☐ Outline your content
- ☐ Choose interactivity to be included
 - Checklists
 - Polling
 - Links
 - Audio/Video
 - Etc...
- ☐ Decide on a title, catchy or informative

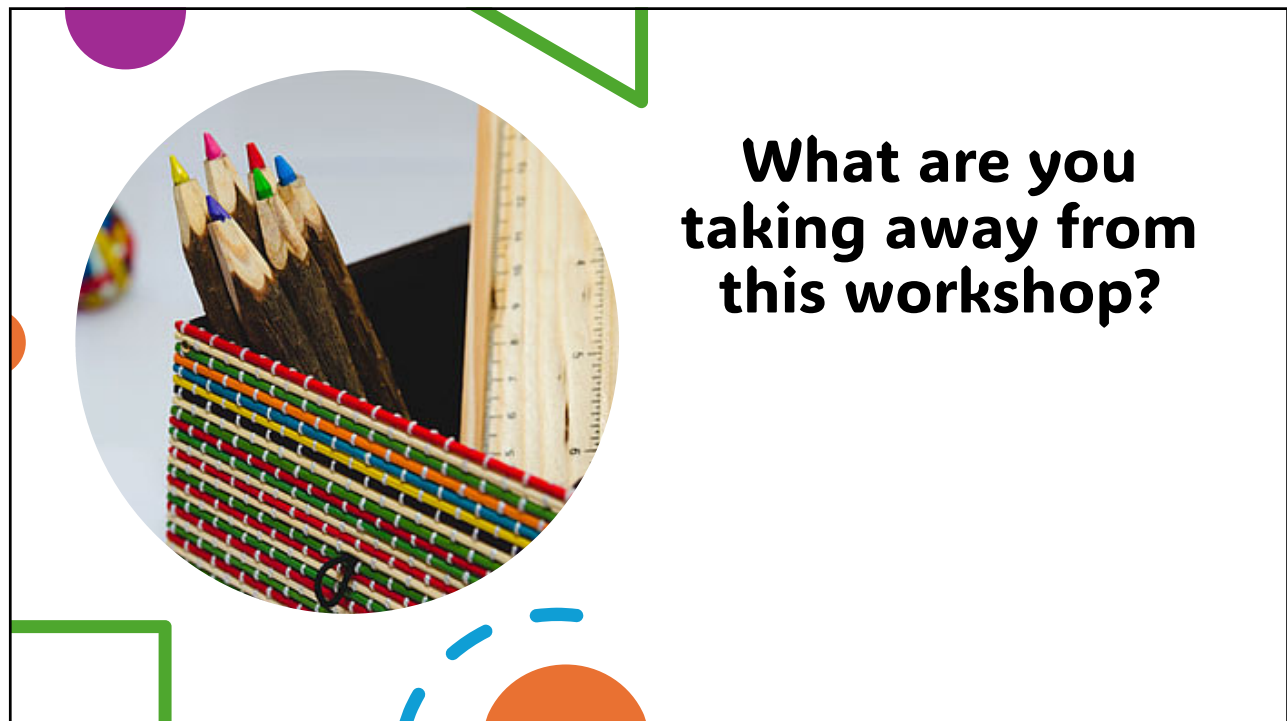

REMEMBER:

Focus: To help **preceptors** precept
Perfection is not the goal
