4. Attestation by the licensee:
   a. That s/he has not practiced in Nebraska since the expiration of his/her permit; or
   b. To the actual number of days practiced in Nebraska since the expiration of his/her license;

5. Documentation relating to misdemeanor or felony conviction(s) or licensure revocation, suspension, limitation or disciplinary action (if applicable).

128-010.03D When any permit holder fails, within 30 days of expiration of the permit, to submit documentation that s/he is currently enrolled in a supervised educational program or the approved graduate pharmacy education program, the Department will automatically revoke the permit without further notice of hearing and make proper record of the revocation.

128-010.03E The Department may refuse to renew a temporary educational permit for falsification of any information submitted for renewal of the permit. Such refusal will be made pursuant to Neb. Rev. Stat. §§ 71-149 to 71-155 and 184 NAC 1.

      (2) Official documentation of the month and year the applicant enrolled in the pharmacy program and the expected month and year of graduation;
      (3) A statement that the applicant is aware that s/he must not practice as a pharmacist intern without the immediate personal supervision of a licensed pharmacist; and
      (4) A signed statement from the applicant verifying that all information in the application is true and correct;
b. The required licensure fee pursuant to 172 NAC 128-017; and
c. A copy of a birth certificate, marriage license, driver’s license, or other valid verification of age.

128-011.03 An applicant for registration as a pharmacist intern on the basis of graduation from a foreign pharmacy program must:

1. Have graduated from a foreign pharmacy program;
2. Have obtained the Foreign Pharmacy Graduate Examination Committee (FPGEC) Certification given by NABP;
3. Submit to the Department:

   a. An application for registration as a pharmacist intern, that must include the following information:

      (1) An application pursuant to 172 NAC 128-003.01 item 6.a.(1) through (8) and (11) through (13);
      (2) Official documentation of successful completion of a pharmacy degree from a foreign pharmacy program;
      (3) A copy of his/her certificate from the Foreign Pharmacy Graduate Examination Committee (FPGEC) Certification Program of NABP;
      (4) A statement that the applicant is aware that s/he must not practice as a pharmacist intern without the supervision of a licensed pharmacist; and
      (5) A signed statement from the applicant verifying that all information in the application is true and correct;
      (6) The required licensure fee pursuant to 172 NAC 128-017; and
      (7) A copy of a birth certificate, marriage license, driver’s license, or other valid verification of age.

128-011.04 An applicant for registration as a pharmacist intern on the basis of graduation from an accredited pharmacy program must:

1. Have graduated from an accredited pharmacy program;
2. Submit to the Department:

   a. An application for registration as a pharmacist intern, that must include the following information:

      (1) An application pursuant to 172 NAC 128-003.01 item 6.a.(1) through (8) and (11) through (13);
      (2) Official documentation of the month and year the applicant graduated from the pharmacy program;
      (3) A statement that the applicant is aware that s/he must not practice as a pharmacist intern without the supervision of a licensed pharmacist; and
(4) A signed statement from the applicant verifying that all information in the application is true and correct;

b. The required licensure fee pursuant to 172 NAC 128-017; and
c. A copy of a birth certificate, marriage license, driver’s license, or other valid verification of age.

128-011.05 The Department will act within 150 days upon all completed applications for licensure.

128-011.06 A pharmacist intern must notify the Department of any change in enrollment, address, or name.

128-011.07 A pharmacist intern registration based on enrollment in or graduation from an accredited pharmacy program expires not later than 15 months after the date of graduation or at the time of professional licensure, whichever comes first.

128-011.08 A pharmacist Intern registration based on graduation from a pharmacy program located outside of the United States which is not accredited expires not later than 15 months after the date of issuance of the registration or at the time of professional licensure, whichever comes first.

128-011.09 No person may function as a pharmacist intern until s/he receives a registration card from the Department. A pharmacist intern must have his/her registration card available at all times when functioning as an intern.

128-011.10 When a pharmacist intern desires to obtain credit for experience received in a state other than Nebraska, s/he must abide by all the provisions of the internship rules in that state, and must provide evidence of the number of pharmacy internship hours actually participated in by the pharmacist intern from:

1. The state Board of Pharmacy were the pharmacy internship hours were earned; or
2. The Nebraska-licensed pharmacist who supervised the training.

All pharmacy internship hours submitted to the Department must contain a notarized signature of the supervising Nebraska-licensed pharmacist or be certified by the state Board of Pharmacy.

128-011.11 The maximum number of hours which may be accepted from experiential training directed by an accredited pharmacy program are:

1. 640 hours, if the applicant for licensure as a pharmacist was awarded a Bachelor’s degree in Pharmacy; or
2. 1500 hours, if the applicant for licensure as a pharmacist was awarded a Doctor of Pharmacy degree.
128-011.12  A pharmacist intern must be supervised at all times while performing the functions of a pharmacist intern, which may include all aspects of the practice of pharmacy, unless otherwise restricted. This supervision must be provided by a pharmacist who possesses a Nebraska pharmacist's license which is free from disciplinary measures at the time of supervision. This requirement for pharmacist supervision does not apply to pharmacist interns who are receiving experiential training directed by the accredited pharmacy program in which s/he is enrolled.

128-011.13  Registration as a pharmacist intern will remain in effect until the pharmacist intern gains licensure as a pharmacist, 15 months following graduation from an accredited pharmacy program, or dismissal or disenrollment from an accredited pharmacy program, whichever occurs first.

128-011.14  Each pharmacist intern must be identified as a pharmacist intern while performing the duties of an intern.

128-011.15  In the case of a pharmacist intern, the result of failure to comply with any of these standards may be loss of accumulated pharmacy internship hours and revocation of any license issued on the basis of such pharmacy internship.

128-011.16  A pharmacist intern must not supervise another pharmacist intern nor a pharmacy technician.

128-012 PHARMACIST INTERN & PHARMACY TECHNICIAN SUPERVISION REQUIREMENTS

128-012.01  A pharmacist may supervise pharmacist interns and pharmacy technicians in the following ratios:

1. A pharmacist may supervise up to two pharmacy technicians at any time, unless prohibited by a disciplinary action. (1:2)
2. A pharmacist may supervise up to three pharmacist interns at any time, unless prohibited by a disciplinary action. (1:3)
3. A pharmacist may supervise any combination of pharmacy technicians and pharmacist interns at any time up to a total of three people, as long as no more than two are pharmacy technicians. (1:3)
4. The supervision ratios of these regulations do not apply to pharmacist interns who are receiving experiential training directed by the accredited pharmacy program in which he or she is enrolled.
5. A pharmacy may apply to use more than two pharmacy technicians per pharmacist and the Board may approve such an application under the following guidelines:
   a. The pharmacy is participating in a scientific study based upon improved patient care or enhanced pharmaceutical care,
   b. The pharmacy has provided the Board with the following information regarding the patient care study:
