Clinical and Translational Advancements in Ophthalmology and Visual Sciences

Thursday – Saturday, May 28 – 30

2026 Sponsorship Program

Clinical and Translational Advancements in Ophthalmology & Visual Sciences

May 28 – 30, 2026

Omaha Marriott
10220 Regency Circle, Omaha

Book your group rate for UNMC / Truhlsen Eye Institute 2026 Gifford-Truhlsen Conference

ANNUAL CONFERENCE SPONSORSHIP OPPORTUNITIES

Highlight your organization at our annual conference, which features two and a half days of education, surgical simulation and networking opportunities. The conference will deliver more than eight hours of face-to-face time with attendees who consist of ophthalmology faculty, fellows, current trainees and community physicians. The sponsorship packages allow your organization the opportunity to strengthen your position with the community and show your support for ophthalmology education.

SILVER \$2,500	GOLD \$4,000	PLATINUM \$5,500
<ul style="list-style-type: none"> » Signage at registration » Recognition in program 	<ul style="list-style-type: none"> » Exhibit booth, 2 days 2 attendees » Signage at registration » Recognition in program » Attend Friday's Reception & Dinner 	<ul style="list-style-type: none"> » Exhibit booth, 2 days 4 attendees » Signage at registration » Recognition in program » Attend Friday's Reception & Dinner » Participate in surgical simulation training

A LA CARTE SPONSORSHIP OPTIONS

Additional sponsorship opportunities are available throughout the meeting to sponsor individual meals. If you would like to sponsor outside of a package, please feel free to contact Kim Witt at kiwitt@unmc.edu.

Surgical Simulation Training

May 28 – 29, 2026

Platinum Sponsors will be invited to bring surgical equipment to showcase during this special two-day training event.

Sponsors are expected to be present for the duration of the workshop.

STANLEY M. TRUHLSEN EYE INSTITUTE

WHO WE ARE

The mission of the Stanley M. Truhlsen Eye Institute and the Department of Ophthalmology and Visual Sciences at the University of Nebraska Medical Center (UNMC) is to improve eye care in Nebraska through premier educational programs, innovative research, high quality patient care and outreach to underserved populations.

WHAT WE DO

Through UNMC's partnership with Nebraska Medicine, the institute serves as a preeminent provider of routine eye care, cataract surgery, LASIK, diabetic eye disease, glaucoma, eye inflammation and tumors, pediatric and neurologic eye disorders, dry eyes, keratoconus, eyelid disorders, and eye trauma services for this region. The institute also includes the UNMC Department of Ophthalmology and the Carl Camras Center for Innovative Clinical Research.

WHY YOU SHOULD PARTNER WITH US

We value your support! You help us make a difference as we strive to meet the educational gaps for all ophthalmology and vision science professionals and trainees in Nebraska and Central Plains Region.

Transforming Eye Care in Nebraska and Beyond!
