

# I WORK HERE.

I don't conduct research in neurological disorders. I provide administrative and financial expertise to the scientists and doctors who do. And that's important, because when I do my job, I'm helping them do theirs.

## MAYBE YOU SHOULD, TOO.

UNIVERSITY OF  
**Nebraska**  
Medical Center

NEBRASKA'S HEALTH SCIENCE CENTER

**Julie Ditter is an administrator in the pathology/microbiology department. She has worked at UNMC for 14 years.**
